くまもとかん

～奇跡の草原牛～

"AkaUshi" is a Japanese "Wagyu" beef born in Kumamoto.

There are four breeds of Wagyu, and the brown Japanese breed, which is "Kumamoto Akaushi" is one of them. The breed has been improved to be suitable for grazing in the grasslands of Aso. They are strong and gentle, eating grass and growing up freely.

Good fat content and lean meat Akaushi is a beef that is gentle to the body.

Wagyu has the original taste. The umami concentrated in the lean meat and the moderate fat and sweetness, making it an easy-to-eat meat that can be enjoyed by people of all ages. We hope you will try it and feel the deliciousness of Akaushi.
